

There are three types of firearms licences for individuals in Canada: the Possession and Acquisition Licence (PAL), the Possession Only Licence (POL) and the Minor's Licence. Only the PAL and Minor's Licence are available for new applicants.

- A PAL allows the licence holder to possess and acquire firearms and ammunition.
- A POL allows the licence holder to possess, but not acquire, firearms and to both possess and acquire ammunition.
- A Minor's Licence is available to persons under 18 years of age who wish to borrow non-restricted firearms for specific activities such as target practice or hunting. Licensed minors cannot acquire firearms.
